1. The specifications and drawings for Invitation No. DACW64-03-B-0034, Dredging, Galveston Channel, Station 8+800 to Station 11+000 in Galveston County, Texas, Galveston Harbor and Channel, Texas, advertised 23 July 2003, and for which bids are scheduled to be opened on 26 August 2003, are hereby modified as follows:

(a) Specifications.

(1) Page 02482-2, Subparagraph 1.8.2. - At the end of this Subparagraph, add the following: "The contract price for dredging shall also include the cost for maintenance of perimeter levees, spillways, and ditches necessary to confine the dredged material within the Placement Area."

(2) Page 02482-6, Subparagraph 3.3.2.1. - Delete this Subparagraph and substitute the following:

"3.3.2.1 San Jacinto Placement Area. The Contractor shall place materials dredged from Section 1 within the Placement Area. The drawings include a plan sheet of the Placement Area with typical as-built sections of the embankment. It will be the responsibility of the Contractor to maintain and control the elevation of the existing perimeter embankments (levees) as necessary to contain the materials dredged from the specified Channel section. Dredged materials shall be placed into Cell "A" only, using the "access points" shown. There are two (2) access points for this Placement Area. The Contractor is required to deposit dredged materials at a minimum distance of 100 feet from the access point inside the Placement Area, so that the discharged effluent materials will not overflow the perimeter embankments. The Contractor shall be required to monitor and control the movement of the discharge point of the pipeline inside the Placement Area to ensure an even build-up of materials to the interior of the Placement Area, and to prevent overflowing of the perimeter embankments."

(b) Drawings.

Sheet 7 of 13. - Delete the last sentence of the NOTE beginning with: "A CONTRACTOR UNDER AN"

2. This amendment shall be attached to, and become a part of, the specifications.
