

DEPARTMENT OF THE ARMY
GALVESTON DISTRICT, CORPS OF ENGINEERS
P. O. BOX 1229
GALVESTON, TEXAS 77553-1229

February 2, 2016

Executive Office

Honorable George P. Bush
Commissioner, General Land Office
1700 N. Congress Avenue
Austin, Texas 78701

Dear Mr. Bush:

Section 1002 of the Water Resources Reform and Development Act (WRRDA) allows for greater transparency in the notification and reporting of feasibility study milestones. WRRDA Section 1002 requires the U.S. Army Corps of Engineers District Engineer to provide non-Federal interests a notification of feasibility study milestone schedules for all active studies that received Investigation appropriations since October 1, 2009, until June 10, 2014. Studies initiated after June 10, 2014, also require notification of five key milestones within 90 days of signing the Feasibility Cost Sharing Agreement.

This certified letter provides the current study schedule for the following five key milestones associated with the Coastal Texas Protection and Restoration Feasibility Study:

- a. Release of the Draft Feasibility Report: July 25, 2018
- b. District Submittal of the Final Feasibility Report: October 20, 2020
- c. MSC Transmittal of the Final Feasibility Report: November 20, 2020
- d. Civil Works Review Board: January 22, 2021
- e. Signed Chief's Report: April 29, 2021

Schedules are based on the assumption of full-funding (Federal and non-Federal) over the course of the study. Up-to-date study schedules will be posted and available to the public on the <http://www.swg.usace.army.mil/Missions/Projects.aspx> website. All schedules and missed deadlines will also be submitted in an annual report to Congress.

A copy of this letter is being forwarded to Anne Idsal, Deputy Land Commissioner and Chief Clerk, Texas General Land Office, 1700 N, Congress Avenue, Austin, TX 78701.

If you have any questions please contact Project Manager, Sheri Willey at 409-766-3917 or e-mail sheridan.s.willey@usace.army.mil.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Pannell', with a long horizontal flourish extending to the left.

Richard P. Pannell
