BRAZOS RIVER FLOODGATES, TEXAS
COLORADO RIVER LOCKS, TEXAS**

SITUATION: NAVIGATION RESTRICTIONS

J.M. Davidson will be repairing damaged buoys or installing new buoys at the Colorado River Locks and Brazos River Floodgates Mooring Basins. This work may require restricted use of some mooring basins during periods of work on each basin, as necessary.

TIME: 11 October 2014 thru 21 November 2014, 7:00 a.m. to 5:00 p.m. Monday through Friday. Work will be performed seven days a week.

COOPERATION

SOLICITED:

Mariners should contact the Lock Masters at Brazos River Floodgates (979) 233-1251 and Colorado River Locks (979) 863-7842 to confirm availability of the mooring basins. Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution during periods of work on basins.
