STEM INSPIRATION

AM3 MOORE
SLIDELL, LA

Cmdr. Corey Plocher
F/A-18 Hornet pilot
U.S. Navy

Pursuing your dream begins here.

Who inspired you?

"I was about four years old sitting in the front yard of my parents' house when a plane flew overhead. When I learned there were people in those big birds that made a lot of noise, I knew I wanted to fly. When I learned that some of them take off and land from ships, I wanted to do that. Today I have a degree in aerospace engineering from the U.S. Naval Academy and have over 1,500 hours of flight time in the F/A-18 Hornet and more than 500 carrier landings."

Education

Bachelor of Science in Aerospace Engineering from the U.S. Naval Academy (1997)

U.S. Army Corps of Engineers Galveston District
