

STEM INSPIRATION

Andria Davis

**Regulatory Project Manager
U.S. Army Corps of Engineers Galveston District
Lieutenant, U.S. Coast Guard**

Pursuing your dream begins here.

Who inspired you?

“As a former U.S. Marine and engineer, my father, Jeff Steger has been the main inspiration in my education and career choices. Through his many successes and hardships, he has shown me the characteristics it takes to succeed and inspire others and the perseverance it take to overcome challenges. He is the main reason I always have a contingency plan.”

Education

Bachelor of Science in Marine Biology and Marine Transportation from Texas A&M Galveston (2003)

U.S. Army Corps of Engineers Galveston District
