U.S. Army Corps of Engineers Galveston District

*Pursuing your dream begins here.*

## Who inspired you?

“Two teachers inspired me when I was in the 7th grade: Reggie Vipperman was truly inspirational in sharing her love of science with her students and my math teacher, Sandy Duncan, started every class with “Duncan’s Daily Doubles” - two difficult mathematical word problems that she would challenge us with to demonstrate problem solving skills and the practical application of mathematics to everyday problems.”

## Education

Bachelor of Science in Computer Science, United States Military Academy at West Point, N.Y.; Master of Science in Water Resources Management, Nelson Institute for Environmental Studies, University of Wisconsin-Madison, Master of Science in Geography from the University of Wisconsin-Madison and a Master of Strategic Studies from the U.S. Army War College.
