

# STEM INSPIRATION

A woman with blonde hair and glasses, wearing a black top, is smiling and playing a piano. The background is dark.

**Debra Zamostny**  
Electrical Engineer  
NASA Glenn Research Center  
Cleveland, Ohio

*Pursuing your dream begins here.*

## Who inspired you?

“When I was growing up, I didn’t really have a role model in STEM. I went into electrical engineering because I was good in math. In fact, I didn’t tell anyone just in case I didn’t make it. Looking back, I wouldn’t change a thing.”

## Education

Bachelor of Science in Electrical Engineering, Cleveland State University

U.S. Army Corps of Engineers Galveston District  
[www.swg.usace.army.mil](http://www.swg.usace.army.mil)
