

STEM INSPIRATION

Dr. Camille Wardrop Alleyne

NASA Aerospace Engineer

**Assistant Program Scientist for the
International Space Station**

Lyndon B. Johnson Space Center, Houston

Pursuing your dream begins here.

Who inspired you?

“My mom inspired me at a very early age to utilize my gifts. I had a mind for math and a talent for building things. With a love for airplanes and a fascination with space, pursuing a career in aerospace engineering was my destiny.”

Education

Bachelor of Science in Mechanical Engineering from Howard University, Master of Science in Mechanical Engineering from Florida A&M University, Master of Science in Aerospace Engineering from University of Maryland, and Doctorate in Educational Leadership from the University of Houston.

U.S. Army Corps of Engineers Galveston District
