

STEM INSPIRATION

Eduardo Irigoyen

Civil Engineer & Construction Manager
U.S. Army Corps of Engineers Galveston District
Galveston, Texas

Pursuing your dream begins here.

Who inspired you?

“From a very early age my mother taught me to work hard and pursue a wide variety of interests. Loving math and solving puzzles as a child, I knew by age 14 that I would one day become an engineer.”

Education

Bachelor of Science in Mechanical Engineering, University of Texas at Brownsville (2004)
