

# STEM INSPIRATION

**Dr. Raghava R. Kommalapati, P.E., BCEE**  
Professor of Civil and Environmental Engineering &  
Director of the Center for Energy and Environmental Sustainability  
Prairie View A&M University

*Pursuing your dream begins here.*

## Who inspired you?

“My father who is a high school graduate and a farmer insisted that I go out of the village and get an education, just like my older brother who became an engineer, my elementary school teacher, Master Jacob saw the potential in me and told me ‘someday you will be a doctor or an engineer’ during my graduation.”

## Education

Bachelor of Science in Civil Engineering, Nagarjuna University, Guntur, AP, VR Siddhartha Engineering College, India (1988); Master of Science in Structural Engineering, Kakatiya University, National Institute of Technology, Warangal, formerly Regional Engineering College, Warangal, AP, India (1990); Master of Science in Civil (Environmental) Engineering, Louisiana State University (1994); Ph.D. in Civil (Environmental) Engineering, Louisiana State University (1995); Professional Engineer, Texas; Board Certified Environmental Engineer, BCEE (2009).
