## **Who inspired you?**

“My father always told me I could be anything I wanted to be! I spent the first 25 years of my life watching him remodel the houses my family lived in. Along the line, someone told me that engineers design the things that are built, and I knew that’s what I wanted to do.”

## **Education**

Bachelor of Science in Civil Engineering (1985) and Master of Engineering in Civil Engineering (1990), Texas A&M University.
