

STEM INSPIRATION

Capt. Sidney M. Harris

Cyber Operations Officer

U.S. Air Force

San Antonio

Pursuing your dream begins here.

Who inspired you?

"My grandfather inspired me at a very early age and is also the reason why I joined the Air Force. He always wanted me to push my limits and explore my passion for science. This same passion for science enabled me to pursue my career working on Department of Defense computer networks."

Education

Bachelor of Science in Chemistry from Xavier University of Louisiana; Master of Science in Computer Science from Capella University; and currently pursuing a Doctorate in Computer Science from Colorado Technical University.

U.S. Army Corps of Engineers Galveston District
