

Public Notice

U.S. Army Corps Of Engineers Galveston District	Permit Application No: _____	23547
	Date Issued: _____	16 September 2004
	Comments Due: _____	18 October 2004

U.S. ARMY CORPS OF ENGINEERS, GALVESTON DISTRICT

PURPOSE OF PUBLIC NOTICE: To inform you of a proposal for work in which you might be interested. It is also to solicit your comments and information to better enable us to make a reasonable decision on factors affecting the public interest. We hope you will participate in this process.

AUTHORITY: This application will be reviewed pursuant to Section 10 of the Rivers and Harbors Act of 1899.

APPLICANT: Spinnaker Exploration Company, L.L.C.
1200 Smith Street, Suite 800
Houston, Texas 77002-4502
Telephone: 713-356-7534
POC: Mr. Tom Becnel

LOCATION: The project is located approximately 18 miles southeast of the Texas coastline in the Galveston Anchorage Area, in Galveston Area, N/2 Block 226, offshore Texas, Gulf of Mexico. The location for the structure using State Plane Coordinates, South Central Texas Zone, NAD 27 (feet) is X=3,403,630.58; Y=481,665.66.

PROJECT DESCRIPTION The applicant proposes to install, operate, and maintain a jack-up rig, typical well-protector and appurtenant structures and equipment necessary to conduct oil and gas exploration and production operations for OCS-G-23171 Well Nos. 1, 2, and 3. No dredging and/or fill will be required for the proposed operations. The applicant's plans are enclosed in 7 sheets.

NOTES: This public notice is being issued based on information furnished by the applicant. This information has not been verified.

The decision as to whether a permit will be issued will be based on an evaluation of the impact of the proposed work on navigation and national security within the anchorage area.

The remainder of the pipeline/structure is authorized under Nationwide Permit 8 for oil and gas structures and will be evaluated by the Minerals Management Service (MMS). Environmental aspects have been considered in the final Environmental Impact Statement prepared by the MMS, U.S. Department of the Interior.

OTHER AGENCY AUTHORIZATIONS: Texas Coastal Zone consistency certification is required. The applicant has stated that the project is consistent with the Texas Coastal Management Program goals and policies and will be conducted in a manner consistent with said Program.

NATIONAL REGISTER OF HISTORIC PLACES: The staff archaeologist has reviewed the latest published version of the National Register of Historic Places, lists of properties determined eligible, and other sources of information. The following is current knowledge of the presence or absence of historic properties and the effects of the undertaking upon these properties:

Located offshore in Federal Waters, and is under jurisdiction of the Minerals Management Service.

CLOSE OF COMMENT PERIOD: All comments pertaining to this Public Notice must reach this office on or before **18 October 2004**. Extensions of the comment period may be granted for valid reasons provided a written request is received by the limiting date. **If no comments are received by that date, it will be considered that there are no objections**. Comments and requests for additional information should be submitted to:
