

Ross Gordon, P.E., C.F.M.
Owner-Principal Consultant
Gordon Consulting Group, LLC

Mr. Ross Gordon, PE, CFM, owner and Principal Consultant for Gordon Consulting Group, LLC, is a contractor to the Harris County Flood Control District tasked with advancing the Buffalo Bayou and Tributaries Resiliency Study. Mr. Gordon brings 17 years of experience leading the development of large-scale regional flood risk management solutions, with an emphasis on Federal-Local partnerships. He specializes in urban and coastal resiliency, disaster response and recovery, flood risk management planning and economic analysis, and strategic regional and state-wide infrastructure planning. Examples of successful prior work includes the Coastal Texas Protection and Restoration Feasibility Study (USACE / TxGLO) and the Hunting Bayou Flood Risk Management Feasibility Study (USACE / HCFCD).

In addition, Mr. Gordon serves as a City Council Member for the City of Bellaire, TX and as a Voting Member of the Sabine Regional Flood Planning Group.
