Wallisville Lake

Master Plan Revision

*30 Day Comment Period
May 27 through June 26, 2022*

The U.S. Army Corps of Engineers is in the process of revising the Wallisville Lake Master Plan. The master plan revision will guide the land and recreational management of the federally owned property that make up its flood storage area for the next 25 years. Management activities include protecting natural and cultural resources, providing public land and water recreation, protecting the public, and ensuring reservoir and dam operations. Pertinent information and a copy of the current land use map can be found on the USACE website below.

To add your comments, ideas, or concerns about the future land and recreational management for Wallisville Lake, please submit comments using any of the following methods:
