**LOCKS CLOSURES
Scour Hole Repair
Colorado River Locks, Texas**

SITUATION: NAVIGATIONAL RESTRICTIONS

“Midwest Construction Company” will be working at the Colorado River Locks placing stone as per the Scour Hole Repair contract on the west side of the west lock. The contractor will be working in the channel from west to east. This work will require closure of the Locks during the designated periods of work.

TIME: Work will take place from 19 January 2018 thru 02 February 2018, 7:00 a.m. to 7:00 p.m., seven days a week. Work will not be performed on Federal holidays.

COOPERATION SOLICITED:

- Mariners should contact the Lock Master at (979) 863-7842 to confirm the closure time so as to minimize their delay.
- The Lock Master will be knowledgeable of the exact closure times 24 hrs. in advance of closure.
- Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution after passing arrangements have been made.
