1. Horizontal coordinates are referenced to Texas State Plane Coordinate System, South Central Zone NAD83 US Survey Feet.

2. Elevations are referenced to Mean Lower Low Tide (MLLW) Datum.

3. This project was designed by the Galveston District of the U.S. Army Corps of Engineers.

4. NOAA Bathymetry contours produced from historic bathymetric (hydrographic) surveys (http://www.swg.usace.army.mil/missions/navigation/hydrographic-surveys/). Information provided here is required by 33 CFR 209.325 Access to Depths and Navigation, Zero Datum, Date of Survey Conditions existing at that time. These conditions are subject to rapid change made on the dates indicated and can only be considered as indicating the general conditions existing at the time of survey.
