**Matagorda Ship Channel: Light 48 to Alcoa Channel**

- **Regional Extent:**
  - Port Lavaca
  - Matagorda

- **Channel Features:**
  - **Regional Extent:**
    - 25°34'9"N
    - 96°34'0"W

- **Channel Station Lines:**
  - **Channel Toe:**
    - 104+000
  - **Harbor of Refuge:**
    - 99+000

- **Survey Date(s):**
  - HYDROGRAPHIC SURVEY
  - 28°37'0"N
  - 30 - 10

- **Scale:**
  - 1:2,400

- **Notes:**
  1. Horizontal coordinates are referenced to Texas State Plane Coordinate System, South Central Zone NAD83 US Survey Feet.
  2. NOAA Bathymetry Contours produced from historic bathymetric (hydrographic) surveys. Due to shoaling events, a prudent mariner should not rely exclusively on the conditions existing at that time. These conditions are subject to rapid change.
