

APPENDICES*

A - Plan Formulation

B - Economic Appendix

C - Engineering Appendix

Attachment 1 – TSP Cost Estimate (MII v.4.2))

Attachment 2 – HSC Pipeline Relocation Evaluation

Attachment 3 – Sea-Level Rise Effects for the HSC-ECIP Feasibility Study

Attachment 4 – Engineering Data and Models

D - Real Estate Appendix

E – Public Coordination**

Attachment 1 – Public Scoping Meeting Summary Report

Attachment 2 – Comments and Responses on the Draft Integrated Feasibility Report and EIS.

F - Agency and Tribal Coordination

Attachment 1: Agency Coordination Invitation Letters

Attachment 2: Tribal Coordination Invitation Letters

Attachment 3: Responses/Comments Received

G - Environmental Supporting Document

H - Clean Water Act Section 404(b)(1) Evaluation

I – Coastal Zone Management Act Coordination – Consistency Determination

J – Clean Air Act – General Conformity Determination

K - Endangered Species Act – Biological Assessment

L - Essential Fish Habitat Assessment

M - Fish and Wildlife Coordination Act – Coordination Action Report

N - National Historic Preservation Act Coordination

O – Habitat Modeling Report and Cost Effectiveness/Incremental Cost Analysis

P – Mitigation Plan for Oyster Reef Habitat

Q – List of Preparers

**IEPR Report of Comments to be added to final decision document*

***Comments included in Final Report*
