There are no wetlands or tributaries on the project site, therefore, the entire site is comprised of dry land and is not subject to Section 404 of the Clean Water Act or Section 10 of the Rivers and Harbors Act of 1899.

¹ This form is for use only in recording approved JDs involving dry land. It extracts the relevant elements of the longer approved JD form in use since 2007 for aquatic areas and adds no new fields.
